

Projet 6: Consol Forti

Cette console est tres importante pour notamment verifier les erreurs de connexion des utilisateurs. Le probleme de connexion au VPN peut venir d'une erreur au niveau du nom d utilisateur ou du mot de passe ou bien du code token.

FortiAuthenticator login form. It features a green header with the Forti logo. Below the header, there are two input fields: 'Username' and 'Password'. The 'Password' field has a toggle icon (an eye) to the right. Below the input fields is a green 'Login' button. At the bottom, there is a link that says 'Forgot my password'.

FortiAuthenticator VM dashboard. The header is green and contains the Forti logo, the text 'FortiAuthenticator VM', and the URL 'fac-rvd.veolia-es.net'. The main content area is divided into two columns. The left column has a sidebar with the following items: 'System' (with a dropdown arrow), 'Dashboard' (with a globe icon and a dropdown arrow), 'User Lookup' (highlighted in green), and 'Authentication' (with a right-pointing arrow). The right column contains 'User Lookup' at the top, followed by 'User type' with a dropdown menu showing 'Local' and a dropdown arrow.
